

Subaru Triathlon Series Club Championships – Orillia 2019

The Subaru Triathlon Series is proud to host its own club championships on years when not hosting the Triathlon Ontario Club Championships. Our goal is to promote a friendly yet competitive environment for clubs to battle for prize money and bragging rights!

The format will be similar to that of the Triathlon Ontario Club Championships with two separate divisions. Division 1 will be for clubs consisting of 50 or more members as of the race date and Division 2 will be for clubs consisting of 49 or less members. To be eligible, the club must be registered with Triathlon Ontario and only members officially registered through Triathlon Ontario for that club will be able to score points.

Points will be awarded based on their placement in their respective age groups for the Sprint Triathlon, Duathlon and Relay races. Try-A-Tri and Swim/Bike races are excluded from points and ALL relay members must be part of the club to count.

Point system is included in the table below:

2	90
3	80
